Can y'all go ahead and release  
this morning?

Yes. It'll go in the next hour

Thx. Can you put  
[REDACTED] on  
the distribution list so that  
we'll know when it goes out?

Will do. Also I'll call you later  
today; my folks are interested  
in knowing more about the  
renewable projects piece of  
the ACP MOU/Ex Order.  
Thanks

Ok
